Whisky

Historically in Scotland whisky was known as 'Uisce be tha', Gaelic for 'water of life'. Considered to have medicinal properties, it was also used as a drink of welcome and farewell. The area from which the single malt comes from is a key element in the overall flavour of the whisky. There are 5 main areas of whisky production in Scotland. Islands, Highlands, Speyside, Lowlands and Islay.

Our lounge bar offer a great selection of whisky from all regions, ask the service team for more information and a guide to ordering the right drink for you.

Rascally Liquor - Crafted a short distance away at Annandale Distillery, Rascally Liquor® is a flavourful clear malt spirit that's attracting rave reviews. Rated 5 Star PLUS by Difford's Guide, and awarded a Silver medal at London Spirits Competition, this feisty spirit takes its inspiration from Tam O'Shanter; the epic poem penned by Robbie Burns during his time in Dumfries & Galloway.
